Dear Mr. Tatro,

On September 1st, Random House is publishing an important book on the assassination of President Kennedy, *Case Closed* by Gerald Posner. Your own special interest in the subject suggests that you would be interested in Mr. Posner's work, which is featured in the enclosed issue of *At Random* magazine on pages 14-28. There is a graphic appendix to the book, and two of the computer-generated graphics are reproduced here.

Sincerely,

Helen Morris
